UPDATE COVID-19 STATEMENT FROM SUTTON ROAD MARKING LTD.

March 26, 2020

Dear Valued Customers, Colleagues, and Business Partners,

Health officials in Canada continue to remind people about the importance of social distancing to stop the spread of COVID-19 by staying at home. With the health and safety of staff, customers and business partners' at the top of our minds, we've made the decision to close our office to the public starting FRIDAY MARCH 27 for an undetermined period of time.

Please know that our team will continue to conduct business and be fully functional while working remotely from home offices, with only one individual in the office.

We are all connected and accessible via cell phone and email and as such we'll be able to keep in contact with our customer base, colleagues and vendors and continue administrative business as usual. Attached to this letter is our company contact page for easy reference.

Sutton Road Marking is committed to continuing to serve our customers to the highest standard during this time and we all hope things can return to normal soon.

We again thank you for your continued support and wish you and your business, staff, colleagues, and families the very best of health.

Sincerely,

A handwritten signature in black ink, appearing to read 'Phil Sutton-Atkins', with a long horizontal flourish extending to the right.
